GPO Pro Shooter Chris Hacker

Steps Onto the Podium in Three Consecutive ASA Events

RICHMOND, Va. (June 13, 2022) — Chris Hacker, GPO Pro Archery Shooter, is on a roll. The 18-year veteran of the professional archery tournament circuit has stepped onto the podium during the last three ASA tournaments, finishing 3rd at the Elite Archery Pro/AM March 24-27 in Russell County, AL, 2nd at the Easton/Hoyt Pro/Am at Camp Minden, LA April 21-24, and, most recently, 2nd at the TRU Ball/Black Eagle Pro/Am June 2-5 in London, KY.

Hacker – who has been involved in archery since he was just four years old and is a former ASA Shooter of the Year and World Champion – trusts GPO binoculars to help him consistently finish near the top. “With the challenging ranges we faced on the power line in London, I had no issues finding the 12 ring with my GPO binoculars,” Hacker said. “The clarity and brightness has been a game changer at the ASA events.” He uses a GPO PASSION 12.5x50 HD binocular.

“GPO (German Precision Optics) is proud to be associated with Chris, who is both a phenomenal shooter and dedicated family man,” said Mike Jensen, GPO owner and

CEO. “We’re proud of his accomplishments and look forward to following his successes during the remainder of the ASA season.”
