**GPO Pro Shooters Deliver Remarkable Finish to the
2022 Archery Shooter's Association (ASA) Season**

RICHMOND, Va. (June 13, 2022) — Team GPO ended the 2022 ASA season with a noteworthy finish. GPO Pro Archery Shooters, Chris Hacker and Jack Wallace placed second and third in ASA's prestigious Shooter's of the Year competition.

"We are extremely proud of both Chris and Jack and our entire GPO Pro Archery team," said Mike Jensen, owner and CEO. "It was a pleasure watching both Chris and Jack compete all season. Their determination and perseverance in each tournament paid off in this highly recognized honor."

The ASA tournament tour consists of tournaments across the country. ASA Pro Division competitors shoot two rounds of twenty targets. These targets vary in distance up to 50 yards and the five highest scores from the first two rounds qualify for the shoot down to decide the winner. The shooter with the most points after all events claims Shooter of the Year in each division.

Be on the lookout for the award-winning GPO Archery team next year.

About GPO USA

GPO USA, an American company, was founded on the premise that design, engineering, and quality control can be 100 percent conducted in Germany to its strictest standards, yet products can be assembled at some of the largest production facilities around the world.
